

# For those who have no voice

S. Deherby

lift to you the song of those who have no voice to cry no

voice to call for jus-tice - no voice to cry for neu-rth - ment - no

voice to call or hand to clasp but ours.

1. Pro-tect the lit-tle ones - whose faith in you is young - They
2. Sup-port the para-na-lies whose task is ne-ver done - they
3. Sus-tain the star-ving ones who live from day to day - they

1. need the time to grow to know their God -
2. need the strength to re-ceive your love -
3. need the strength to grow to be your own -
